

JULY LIVE IMPLEMENT SALE

Lawrie & Symington Ltd held their July Live Implement Sale which was highly successful, achieving an impressive 72% clearance rate. The event drew plenty of active buyers from across the UK and Ireland, confirming strong ongoing demand in the sector.

A wide range of machinery and equipment went under the hammer, with competitive bidding throughout the day. The healthy clearance rate reflects both the quality of the lots on offer and the strength of the buyer base in attendance, both in person and online.

The sale once again demonstrated the value of a live auction format, with a positive atmosphere and excellent engagement from start to finish.

Thank you to all vendors, buyers, and supporters who contributed to making this another standout event.

Our next sale is an Online on Thursday 7th August.
