

## MARCH LIVE IMPLEMENT SALE

Lawrie & Symington Ltd held their March Live Implement Sale saw a good entry of machinery and a strong trade throughout, with a busy ringside and active bidding from start to finish. Buyers travelled from across the UK and Ireland, ensuring a competitive sale across many sections.

Top price of the day went to a New Holland T5050 tractor which sold for £19,200. Several other tractors met a strong demand and could easily have been sold again.

Overall, a very pleasing sale with a good clearance rate and plenty of interest in quality machinery.
