

LAWRIE & SYMINGTON LTD

Another strong online implement sale with a great entry of over 700 lots forward. A solid trade was seen throughout the sale with tractors, telehandlers, quads & gators selling particularly well and a very good clearance rate achieved.

Leading the trade on the day was a Merlo TF33.7 Telehandler selling to £25,400 with a Massey Ferguson 5460 Dyna 4 (2008) close behind at £22,400.

There was plenty of interest from buyers with many new bidders registering alongside our regular customers throughout the UK and Ireland, creating competitive bidding across a wide range of lots. We would like to thank all vendors for their entries and all buyers for their continued support which is greatly appreciated.

Our next online sale will be on 7th May with all entries to be in by 1st May.
