

MAY LIVE IMPLEMENT SALE

Lawrie & Symington Ltd held their Quarterly Live Implement Sale on Thursday 28th May which proved to be another success, with a fantastic entry right across the board and strong trade throughout.

There was an excellent show of tractors on offer, and the hall was packed full with tools and smaller items, while the yard was full to the brim with a wide variety of implements and equipment, with most entries finding new homes.

With the sun shining, we welcomed buyers from all over UK and Ireland, creating a strong atmosphere.

Topping the sale was a 2011 Valtra N111, which sold for an impressive £27,000.

We would like to thank all vendors, buyers, and supporters who attended and contributed to another successful sale.

Our next sale will be an Online Sale held on Thursday 10th June, and we are now accepting entries.
