

LAWRIE & SYMINGTON LTD

We are delighted with the results of our recent Online Implement Sale, which attracted strong interest from buyers across the Uk, Ireland and further afield.

The sale saw a good level of bidding throughout, with a wide range of quality agricultural machinery and implements attracting plenty of attention.

The top price of the sale was £44,000, achieved by a Landini 6-155 RS Tractor, consigned from a local farm. This was a particularly strong result and highlights the continued demand for good quality, well presented machinery.

The second highest price was £12,200, paid for a New Holland TX65 Combine Harvester, which also attracted considerable interest from buyers.

The strong buyer interest throughout the sale showed there was considerable appetite for quality used agricultural machinery, and we could easily have sold many more good quality entries.

We would like to thank all vendors and purchasers for their support and look forward to welcoming entries for our next sale which is a Live Sale on 8th October with entries to be in for Wednesday 7th October.
